Lovelier Flowers For Your Garden

PRIZE WINNING PATENTED

Everblooming MONTHLY ROSES

PEACE — Patent No. 591

\$2.00 each 3 for \$5.00 \$20 per dozen

Buds of fresh, bright yellow edged with cerise, open to magnificently formed blooms of soft clear yellow, each petal edged with pink. Although the bloom is unusually large, double and long-lasting, the dainty, clean and sparkling colors give it an almost ethereal loveliness.

NOCTURNE — Patent No. 713

\$1.50 each 3 for \$4.00 \$15 per dozen

The color is bright cardinal red with dark shadings of crimson. The large petals have good substance, are richly textured and pleasantly fragrant flower is long lasting. Color is somewhat lighter and brighter during hot weather. A. A. R. S. award for 1948.

TALLY-HO — Patent No. 828

\$2.00 each 3 for \$5.00 \$20 per dozen

A bright color but the contrast is not great. The color on the inside of the petals is a varying but always a delightful and unique shade of pink. The outside of the petals is a rich Crimson. The buds, before they unfold, are deep Cardinal-Red. The long stemmed blooms open slowly and last exceedingly well because they have such heavy substance. They are very large when fully open, of perfect form and with spicy fragrance. A. A. R. S. award for 1949.

3 Prize Patented Roses

GROUP 29 — 1 each Peace, Nocturne, Tally-Ho, described at the right. Value \$5.50.

\$4.50*

*As Northern Grown roses are very large plants, we cannot prepay the postage or express on them.
